

Ease over  
everything!

# Mitchell

Engineer

## ABOUT ME

I'm a working professional that enjoys what I do. I have limited free time and find that when I do spend precious time preparing meals, I want them to be worth the effort. Taste and ease are everything

### Likes

- 1 Pizza and sandwiches - light and classically tasty lunches
- 2 Gaming on my PS4 with friends
- 3 Working from home

### Frustrations

- 1 Meal planning for lunch during the week
- 2 Long delivery wait times
- 3 Spending valuable time on mundane

creativity is  
intelligence having  
fun

Designer

## ABOUT ME

Life is about noticing and highlighting beauty every where you go. As a young professional in design, I definitely get a lot of practice creating beautiful things - but with my free time I want to explore and travel.

### What likes the most

- 1 A wonderful serenity has taken possession of my entire soul, like these sweet.
- 2 And the meridian sun strikes the upper surface of the impenetrable foliage.
- 3 Plants are noticed by me: when I hear the buzz of the little world among the stalks.

#design #technology #travel

### NEEDS

- 1 Efficient ways to try all types of cuisines
- 2 Recommendations on new restaurants in my area
- 3 A variety of options

### Frustrations

- 1 A wonderful serenity has taken possession of my entire soul, like these sweet.
- 2 And the meridian sun strikes the upper surface of the impenetrable foliage.
- 3 Plants are noticed by me: when I hear the buzz of the little world among the stalks.

Work hard, play hard

## ABOUT ME

A wonderful serenity has taken possession of my entire soul, like these sweet mornings of spring which I enjoy with my whole heart. I am alone, and feel the charm of existence in this spot, which was created for the bliss of souls like mine.
